# Mercedes-Benz User Experience (MBUX)

Transforming the in-car user experience, thanks to MBUX: Controlled via voice or touch input, the innovative infotainment system can over time even predict personal habits thanks to artificial intelligence.

### Voice control

- Activated by the keywords “Hey Mercedes”, the new intelligent voice control LINGUATRONIC<sup>1</sup> lets you control many of the infotainment functions, including destination input, phone calls or music selection
- MBUX is able to understand different accents and will adjust to you over time
- MBUX even understands indirect commands. Feeling chilly? Just say “I feel cold” and MBUX will adjust the temperature for you

### Personalisation

- Turn the new A-Class into your very own Mercedes-Benz by personalising driving modes, radio stations and much more
- Your personal settings can be saved in up to seven different profiles, making your driving experience the best one possible
- Thanks to artificial intelligence, MBUX is able to learn and adapt over time. It will be able to predict your personal habits, such as navigation for frequently-driven routes, or the radio station you like to listen to on your way home from work

### Touch inputs

- Beside voice control you can operate MBUX via touchscreen, the touchpad on the centre console, as well as touch control buttons on the steering wheel
- The touchpad recognises your handwriting should you wish to enter addresses or phone numbers silently

Multi-gesture touchpad control

<sup>1</sup>LINGUATRONIC off-board functions are currently only available for three years

# Mercedes me connect

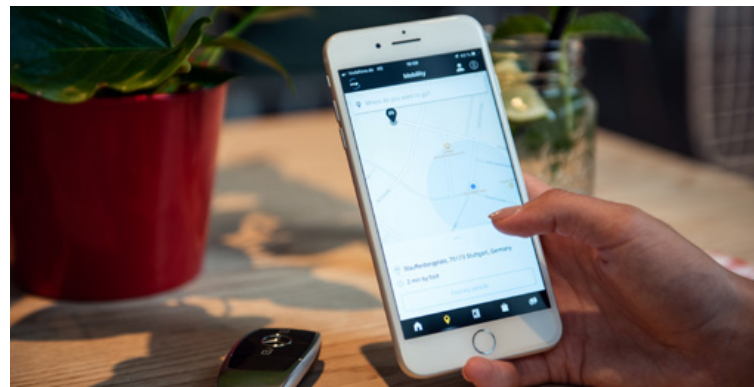

Stay connected any time, anywhere.

# Mercedes me

Mercedes me is a range of innovative online services designed to enhance your Mercedes-Benz experience. Accessible via mobile, tablet or PC, Mercedes me lets you enjoy the highest standards of care and support, in a way that integrates seamlessly with your busy lifestyle.

### Safety and Service – Mercedes me connect helps to keep you and your car safe

Check your car's oil level, tyre pressure and fuel from your phone so you'll be ready for every journey.

### Infotainment – Online and Entertainment services from Mercedes me connect

Love music? Get a 3-month free subscription to Tidal when you connect your car.

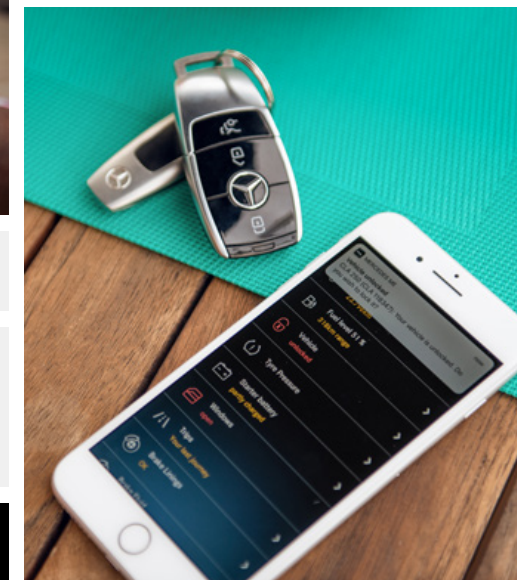

### Live Traffic Information, Parked Vehicle Locator and much more with Mercedes me connect

Forgot where you've parked? Parked Vehicle Locator<sup>1</sup> will show you exactly where your car is as long as you're in a 1-mile radius of where you parked. Real-time traffic data and dynamic route with shorter journey times.

For more information speak to your local Retailer or visit the Mercedes me connect store at [shop.mercedes-benz.com/en-gb/connect](http://shop.mercedes-benz.com/en-gb/connect)

### Comfort – connect to your car anytime, anywhere

Forgot to lock your car? With Remote Car Lock<sup>2</sup> you will receive a notification on your smartphone to let you know. With one tap, you can lock and unlock your vehicle so you never have to worry.

<sup>1</sup>Available on all models with the Vehicle Monitoring package. This option may vary between standard and additional cost dependent on the model

<sup>2</sup>Part of the Vehicle Status package. This option may vary between standard and additional cost dependent on the model

# Plug-in Hybrid

Design	Technology	Plug-in Hybrid	Model lines	Upholstery	Model prices	Mercedes-AMG	Mercedes-AMG prices	Mercedes-AMG upholstery	Personalisation	Standard equipment	Genuine accessories	Technical data	Additional information
--------	------------	----------------	-------------	------------	--------------	--------------	---------------------	-------------------------	-----------------	--------------------	---------------------	----------------	------------------------

# Plug-in Hybrid Electric Vehicle (PHEV) Benefits of driving a plug-in hybrid.

Our plug-in hybrids feature either a petrol or diesel powertrain, combined with a High Voltage battery and electric motor. Enjoy hybrid mode for maximum efficiency, or all-electric mode for local emission-free driving.

## Lower running costs

Did you know that electric cars could cost up to a third less than a diesel or petrol car to run, as well as being cheaper to maintain? We've partnered with Go Ultra Low, a joint Government and car industry campaign, to give you unbiased advice on making the switch to an electric car. Use Go Ultra Low's cost saving calculator to see how much you can save.<sup>1</sup>

[Discover more](#)

## Lower road fund license

Plug-in hybrid vehicles have lower emissions – this means you pay less for road tax.

## Cleaner vehicle discount

Plug-in hybrid models qualify for the 100% cleaner vehicle discount within the London Congestion Charge zone.

## Business benefits

With 100% first-year capital allowances<sup>2</sup> and lower Company Car tax, electric cars offer significant benefits to businesses and employees.

[Click here for more information](#)

<sup>1</sup>Please note that by clicking below you will be directed to the Go Ultra website

<sup>2</sup>100% first-year capital allowances only apply to vehicles less than 50 g CO<sub>2</sub>/km

[Book a test drive](#)[Buy your A-Class](#)[Find a Retailer](#)

# Plug-in Hybrid Electric Vehicle (PHEV) The A250 e.

Plug-in hybrid vehicles enjoy the same functionality of full Hybrid technology, with the added benefit that they can be charged from an external electricity source. With CO<sub>2</sub> emissions of 26 g/km or less, the A250 e Plug-in Hybrid is an environmentally conscious choice of driving.

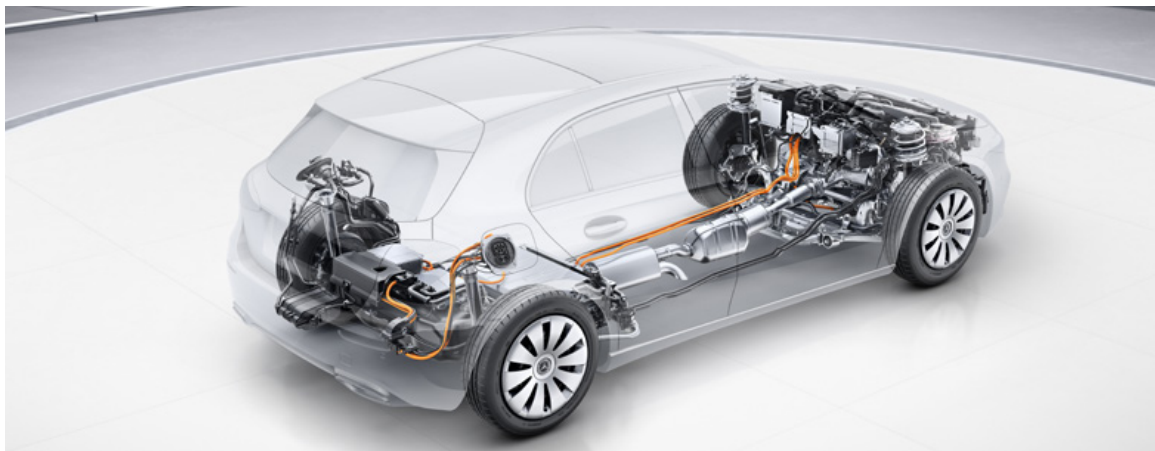

## A 250 e

Petrol – 1,332 cc, 4-cylinder, 160 hp/118 kW  
Electric motor – 102 hp/75 kW

### Available as:

AMG Line Executive Edition, AMG Line Premium Edition and AMG Line Premium Plus Edition

Hatchback OTR from **£35,280<sup>1</sup>**  
Saloon OTR from **£35,875<sup>1</sup>**

### Standard equipment

Acoustic ambient protection – the tone pitch changes depending on the driving conditions. You can therefore also differentiate whether you are braking or accelerating. Above 19 mph, the system is basically deactivated since wind and tyre noise tend to dominate at higher speeds

Charging cable – Mode 2 cable (5 metres, straight), 3-pin plug, for household sockets up to 2.3 kW

Charging cable – Mode 3 cable (5 metres, straight) for wallbox and public charging stations

Charging socket

Charging system – AC charging system rated at 7.4 kW

Comfort suspension

Pre-entry climate control

Radar-based recuperation

Remote and Charging Services Plus (from AMG Line Executive Edition)

### Technical details

Equivalent All-Electric Range (EAER) <sup>2</sup>	Hatchback: 42-43 miles Saloon: 44 miles
AC charging time, 10-100% <sup>3</sup>	5 hrs 30 mins at a domestic socket <sup>4</sup> 1 hr 45 mins/3 hrs 15 mins at a wallbox
Range power consumption, combined <sup>2,5</sup>	Hatchback: 13.6-11.9 kWh/100 km Saloon: 15.3-14.6 kWh/100 km
Battery type (usable)	lithium-ion (10.6 kWh)
Capacity on-board charger	7.4 kW

<sup>1</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£665.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price. <sup>2</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging. <sup>3</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-100% charge using a wallbox (three-phase) or standard socket (single-phase). <sup>4</sup>If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord) <sup>5</sup>The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency

# Home charging Simple, convenient, fast charging.

Mercedes-Benz plug-in vehicle customers with off-street parking can benefit from the convenience and speed of charging at home by installing a home charger. The 7 kW home chargers deliver a full charge in under four hours – that’s up to three times faster than using a 13A three-pin domestic plug.<sup>1</sup>

**Home charger 7 kW: £525\* incl. VAT & installation**

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification.

Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification.

**Key benefits of the 7 kW home charger:**

Robust and weatherproof, for indoor or outdoor use, and comes with a three year warranty. Keep track of your charging using your chosen providers’ app – available on both the App Store and the Google Play Store.

**OZEV Grant:**

You may be entitled to claim for an OZEV grant towards the cost of your home charger.<sup>2</sup> To find out whether you are entitled please contact your chosen charging partner.

**Questions?** Please contact your local Retailer to submit an enquiry to your chosen charging partner on your behalf. To find your local Retailer, please click the button at the top right hand corner.

**Warning!** If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord.

\*Price includes £350 OZEV EVHS Grant. Price correct at time of publication, subject to change

<sup>1</sup>Based on 7kW power output for plug-in hybrid vehicles

<sup>2</sup>The home charger £350 Grant (including VAT) is only available to customers who meet the criteria of the Office for Zero Emission Vehicles (OZEV). For full details and eligibility criteria for the OZEV EVHS Grant, see <https://www.gov.uk/government/publications/electric-vehicle-homecharge-scheme-guidance-for-customers-version-21>.

<sup>1</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging. Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO<sub>2</sub> figures can be found at <http://www.mercedes-benz.co.uk/WLTP> <sup>2</sup>A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 68 for the relevant rate for the second and subsequent years <sup>3</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£665.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

**Interior**

10.25-inch digital instrument cluster

Front door sills – illuminated with changeable cover and 'AMG' lettering

Rear armrest with two cup holders

**Trim and Upholstery**

Light longitudinal-grain aluminium

Black leather

# Mercedes-AMG A 35 4MATIC Premium Plus Edition (code DP5) Standard equipment highlights

Hatchback OTR from **£45,900<sup>1</sup>**  
Saloon OTR from **£46,495<sup>1</sup>**

In addition to/replacement of Mercedes-AMG A 35 4MATIC Premium Edition:

### Engine, Transmission and Suspension

Suspension with Adaptive Damping system – shock courses for the springs shortened by 15 mm. The car visually presses itself even closer to the road surface

### Exterior

19" AMG alloy wheels – multi-spoke design, painted matt black with a high-sheen finish (code RVL)

AMG Aerodynamic package – modified front splitter, additional flics on front apron, additional diffuser blade, side spoiler lips on rear apron and rear spoiler

MULTIBEAM LED headlamps with Adaptive Highbeam Assist – Consisting of 18 individually-controllable, high-performance LEDs per MULTIBEAM LED module to implement a split main beam with 16 controllable individual segments; LED dippedbeam and main-beam headlamps; cornering light function with activated high beam as well as cornering light function with roundabout and cross-traffic functions; city light, country road light and motorway light modes; adaptive all-LED tail lights. Adaptive Highbeam Assist becomes active from a speed of 18.5 mph on roads with no street lighting, provides automatic main-beam control for permanent broad illumination of the carriageway, and partial switches off the LEDs of the MULTIBEAM LED main-beam modules to avoid dazzling vehicles in front or oncoming traffic

Panoramic glass sunroof – includes tilt position which adapts to vehicle speed in three stages and has convenience closing and automatic rain-sensor closing

Summer tyres

<sup>1</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£665.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. ### Interior

Electrically-adjustable front memory seats with lumbar support. Lumbar support with four settings: higher, lower weaker or stronger. The memory programming includes all seat adjustment functions such as seat height and fore-and-aft position, seat cushion angle and seat backrest inclination

Traffic Sign Assist – a camera scans speed limit signs, so navigation data always displays the current limit

Panoramic glass sunroof

### Trim and Upholstery

Light longitudinal-grain aluminium

Black leather

# Mercedes-AMG A 45 S 4MATIC+ Plus Standard equipment highlights

Option shown: MANUFAKTUR mountain grey magno paint (code 662)

Hatchback OTR from **£57,885<sup>1</sup>**

## Engine, Transmission and Suspension

AMG DYNAMIC SELECT with driving modes Slippery, Comfort, Sport, Sport+, Individual and RACE; AMG DYNAMIC PLUS including Drift mode

Suspension with Adaptive Damping system – shock courses for the springs shortened by 15 mm. The car visually presses itself even closer to the road surface

## Exterior

19" AMG alloy wheels – cross-spoke forged design, painted matt black with high-sheen rim flange (code RSZ)

AMG Aerodynamic package – modified front splitter, additional flics on front apron, additional diffuser blade, side spoiler lips on rear apron and rear spoiler

AMG high-performance brake system with red-painted brake calipers and black AMG lettering at the front; ventilated and perforated brake discs

AMG-specific radiator grille with wider lower contour and 12 vertical louvres

Diffuser with two vertical twin fins

Front apron with horizontal fins in outer air inlets and stretched lower air inlet

MULTIBEAM LED headlamps with Adaptive Highbeam Assist Plus

Night package – design features in high-gloss black

Panoramic glass sunroof – with electronic roller sun blind. Includes tilt position which adapts to vehicle speed in three stages and has convenience closing and automatic rain-sensor closing

Power domes in bonnet

Summer tyres

Twin round 90 mm wide tailpipes (2) with internal fluting, 'AMG' lettering and wide rear apron

Wider front wings with flared wheel arches and 'TURBO 4MATIC+' lettering; wider AMG side skirts

<sup>1</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£665.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

**Communications, Safety and Assistance Systems**

10.25-inch touchscreen media display and 10.25-inch digital instrument display

Ambient lighting in 64 colours

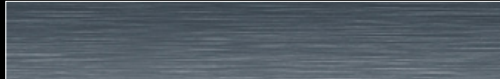

Blind Spot Assist – two radar sensors monitor the blind spot: a red triangle in the exterior mirror warns of detected road users

Exit Warning Function

Traffic Sign Assist – a camera scans speed limit signs, so navigation data always displays the current limit

**Trim and Upholstery**

Light longitudinal-grain aluminium

Two-tone leather – titanium grey pearl/black with yellow

**Interior**

AMG Drive Unit

AMG Driver's package with top speed of 170 mph

AMG Performance Seat High-End package

AMG Performance steering wheel in nappa leather/DINAMICA microfibre with AMG buttons

Door sills – illuminated front door sills with changeable cover and 'AMG' lettering

Electrically adjustable front memory seats including lumbar support

Heated front seats with three settings

KEYLESS-GO (lock/unlock doors only) with chrome insert on door handle. Doors can be locked and unlocked simply by touching the handle – with no need for you to take the key out of your pocket

Mirror package – electrically-folding exterior mirrors and automatically-dimming driver's side mirror and rear-view mirror

Multi-Contour Seat package – multi-contour seats with inflatable air chambers in the lower backrest and in the side bolsters

- Massage effect in the lumbar region through pulsating air chambers in the lumbar support
- Electrically-adjustable lumbar support provides additional support for the spine
- Recommended by the AGR, a German spinal health organisation

Parking package – reversing camera with parking guidelines, 180° view, front and rear sensors

Rear armrest with two cup holders

<sup>1</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. <sup>2</sup>Figures shown are for comparability purposes; only compare with other cars tested to the same technical procedures. Figures may not reflect real life driving results, which will depend upon a number of factors including factory-fitted options, accessories fitted (post registration), variations in weather, driving styles and vehicle load. Further information about the test used to establish fuel consumption and CO<sub>2</sub> figures can be found at <http://www.mercedes-benz.co.uk/WLTP> <sup>3</sup>A different first year rate of Vehicle Excise Duty (Road Fund Licence) applies for new cars. Please refer to page 68 for the relevant rate for the second and subsequent years <sup>4</sup>The recommended on-the-road price includes the Road Fund Licence applicable to the standard model plus delivery charge (£665.00 incl. VAT), new vehicle registration fee (£55.00), fuel (£50.00 incl. VAT), and number plates (£25.00 incl. VAT). VAT is calculated at the standard rate of 20%. Some of the model features, optional extras and colours shown may not be available, or may only be available in a different specification, or at a different price

# Driving Assistance package

The Driving Assistance package contains a range of highly intelligent features to help you stay safe on the road – by making the drive more effortless, by warning of danger, and by taking steps to protect you in an emergency.

**Driving Assistance package** (code PAY) – designed and priced as a package, including items listed on the right-hand side.

**AMG Line Premium Plus Edition, Mercedes-AMG A 35 4MATIC Premium Plus Edition and Mercedes-AMG A 45 S 4MATIC+ Plus only** Total incl. VAT £1,495.00

Automatic transmission only

Active Distance Assist DISTRONIC

Active Steering Assist

**Active Blind Spot Assist** can warn the driver of vehicles in the blind spot during a lane change and can help to avoid a collision by means of one-sided braking intervention

**Active Braking Assist with cross-traffic function** can help to avoid accidents with vehicles ahead, crossing traffic and also pedestrians, and/or mitigate their consequences

**Active Distance Assist DISTRONIC** helps maintain the desired distance from the vehicle in front

**Active Emergency Stop Assist:** immediate emergency braking if evasion is impossible

**Active Speed Limit Assist** ensures detected speed limits are automatically adopted as the set speed for Active Distance Assist DISTRONIC

**Active Steering Assist:** targeted steering intervention to prevent unintentional drifting out of lane

**Evasive Steering Assist** can support the driver in making evasive manoeuvres if, in a dangerous situation, he/she moves to avoid any pedestrian detected by the system

**Route-based speed adjustment:** adaption of speed before curves, roundabouts and junctions

# Genuine accessories

We've developed a range of accessories you can add to help personalise and enhance your A-Class.

## Basic carrier bars (Hatchback only)

Aluminium carrier bars, precision-tailored to the body of your Mercedes-Benz – the perfect basis for a range of Mercedes-Benz transport accessories. With integral tool for quick, easy fitting. Asymmetrical aerodynamic profile enhances ride comfort by significantly reducing wind noise. Crash-tested. Lockable. (A1778900500)

## Mercedes-Benz roof box 400 (Hatchback only)

Mercedes-Benz roof box, impact-resistant, sturdy, durable, recyclable, spray-protected. Opens on both sides. Single lock system with three locking mechanisms on each side. Gas-filled struts for easy opening and closing of lid. Maximum load capacity of 75 kg. Unladen weight 16 kg. (A0008401300)

## All-season floor mats dynamic squares, front (Hatchback only)

Floor mats have to undergo rigorous testing before they are deemed worthy of the star logo: durability, fade-resistant colour and a neutral odour. The mats are precision-tailored to your Mercedes-Benz. (A17768080029G33)

## Reversible mat

Transport without regret: this reversible mat by Mercedes-Benz protects the boot floor during loading and unloading. This reversible mat is hard-wearing, made from 100% polyester and has dual use. (Hatchback: A1776842100; Saloon: A1776842200)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

--------	------------	----------------	-------------	------------	--------------	--------------	---------------------	-------------------------	-----------------	--------------------	---------------------	----------------	------------------------

### Concertina load sill protector

The concertina load sill protector not only protects the boot, but also protects the bumper and boot sill from becoming scratched. The load sill guard can be attached via hooks to the lifting eyes or can be attached via a velcro strip to the reversible mat or roof box. (A2536932000)

### Coolbox

Be it cool drinks, a picnic or baby food: the thermoelectric refrigerator box cools upon request and is the perfect companion on any day out. Thanks to its extra thick insulation it can cool up to 5°C, but a max. of 20°C under the outside temperature. It fits perfectly into every Mercedes-Benz vehicle and holds 13 litres. (A0008205409)

### Picnic blanket, Herringbone

Spend time in the great outdoors: the picnic blanket made from soft polyester fleece with a herringbone weave invites you to relax - in any weather. Thanks to the bottom made from water-repellent polyamide fabric, dry ground is ensured at all times. (B66041563)

All the above accessories are subject to availability and compatibility. Please ask your Mercedes-Benz Retailer for more information

<sup>1</sup>Figures according to Directive 80/1269/EEC in the currently applicable version    <sup>2</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging    <sup>3</sup>The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency    <sup>4</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-100% charge using a wallbox (three-phase) or standard socket (single-phase)    <sup>5</sup>**If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord**

<sup>1</sup>Figures according to Directive 80/1269/EEC in the currently applicable version    <sup>2</sup>The indicated values were determined according to the prescribed measurement method - Worldwide Harmonised Light Vehicle Test Procedure (WLTP). Figures shown may include options which are not available in the UK. For Plug-in Hybrid Electric Vehicle (PHEV) figures determined with the battery fully charged, using a combination of both battery power and fuel. These models require mains electricity for charging    <sup>3</sup>The certified electrical consumption is generally determined at maximum AC charging capacity using a Mode 3 cable. It is therefore recommended that vehicles with a HV battery preferably be charged at a wallbox or an AC charging station with a Mode 3 cable in order to achieve shorter charging times and improved charging efficiency    <sup>4</sup>Specified voltage and current values refer to network infrastructure and can be limited by the vehicle. Times are from 10-100% charge using a wallbox (three-phase) or standard socket (single-phase)    <sup>5</sup>**If you are planning to charge your Mercedes-Benz plug-in electric vehicle using a 3-pin domestic plug socket you must get a qualified electrician to inspect and sign off the socket to confirm it is safe and suitable to charge your vehicle. Do not use an electric vehicle 3-pin charge cable with an extension cord**

# Road Fund Licence

All road vehicle registrations are subject to Vehicle Excise Duty (Road Fund Licence), which varies in accordance with the vehicle's CO<sub>2</sub> emissions. A first year rate for each taxation band will apply. The table below shows the bands (A-M) created by the DVLA and the corresponding Road Fund Licence. CO<sub>2</sub> emissions and the relevant Excise Duty are shown on the model pricing pages.

Band	CO <sub>2</sub> emissions (g/km)	First year rate petrol and RDE2 diesel (£)	First year rate all other diesel (£) <sup>1</sup>	First year rate alternative fuel (£)	Electric vehicles		Alternative fuel vehicles		Petrol/diesel vehicles

<sup>1</sup>Applies to all Mercedes-Benz diesel models which do not comply with RDE (Real Driving Emissions) Step 2 Certified (Euro 6d)

<sup>2</sup>Premium rate only applicable to vehicles where the list price is over £40,000 including any factory-fitted options, standard UK delivery charge and VAT

# Services and insurance

## Mercedes-Benz ServiceCare

We believe that servicing costs should be as flexible and affordable as possible for your A-Class, which is why we offer ServiceCare, an easy way to budget for all your servicing costs. It spreads your bills into manageable payments based on whether you have a new or used Mercedes-Benz. With ServiceCare we guarantee the price of parts and labour for up to four services and safeguard against any further inflation. It also covers the cost of all recommended service items including brake fluid, spark plugs, air filters, fuel filters and screen wash. You can choose either to add your servicing costs into your monthly spend or pay the full amount in a one-off payment, giving you peace of mind that they are taken care of for the period of the plan.

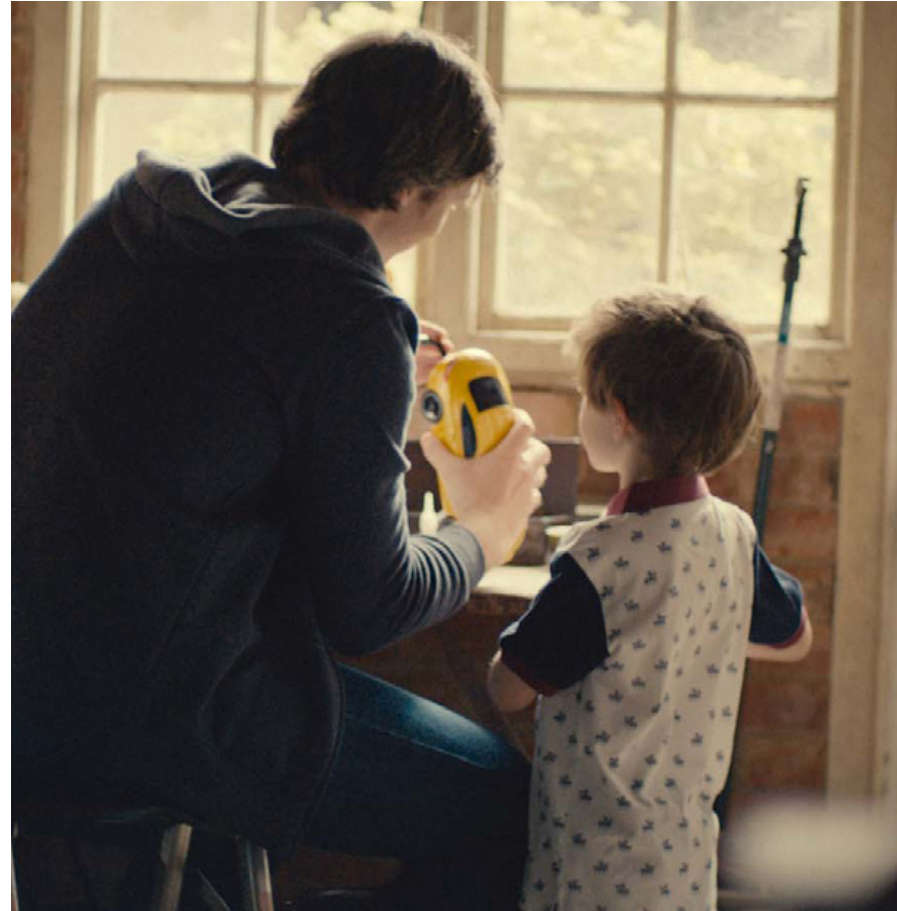

[› Click here for more information](#)

## Warranty and breakdown cover

Every Mercedes-Benz comes with a three-year unlimited mileage warranty against manufacturing or material defects<sup>1</sup> and up to 30 years warranty against perforation due to corrosion from the inside out.<sup>2</sup> What's more, it's also covered by Mercedes-Benz Roadside Assistance – a unique package comprising up to 30 years pan-European breakdown assistance.<sup>2</sup>

## Motor Insurance

We know that once you have chosen your Mercedes-Benz you can't wait to drive it – that's why we created First Cover<sup>3</sup>. It gives you 7 days' free comprehensive Motor Insurance when you buy a new or used vehicle from a Mercedes-Benz Retailer. We will also send you a quote for annual cover, so you can enjoy the same peace of mind all year round.

[› Apply for First Cover](#)

<sup>1</sup>Applies to vehicles sold by Mercedes-Benz in the UK to its franchised Retailers    <sup>2</sup>Subject to full Terms and Conditions, dependent on date of registration, available upon request    <sup>3</sup>Terms and Conditions apply. We are an independent intermediary dealing with selected insurers in respect of annual insurance

Effective from January 2022 Production. Information correct at time of publication 09.11.2021.  
Prices and specifications are subject to change without prior notice.
