

THE NEW FIAT 500

ALL NEW
ALL-ELECTRIC

Welcome to the New Fiat 500, a new type of mobility:
more advanced and technological than ever,
but above all simple to use. The iconic 500 is now all electric.

HATCHBACK

CONVERTIBLE

DISCOVER THE NEW FIAT 500

The New 500 available in Hatchback, and Convertible versions.
All you have to do is find the one that suits you best.

*A NEW LOOK
AT TOMORROW*

*LITTLE DETAILS
MAKE BIG THINGS HAPPEN*

True to its roots and to 500's iconic style, the New 500 is more beautiful than ever thanks to a new cleaner, more refined design and subtle lines, with the 500 logo moved to the front to reaffirm its unmistakable personality.

WINGED ARROWS
The LED side indicators are a tribute to the historic 500 design, this feature takes you on a journey from past to future.

LED INFINITY LIGHT
With a renewed design and the technology of the future, offering a clearer view of the road.

INSPIRED BY NATURE

Style joins comfort to offer an exclusive driving experience. All details are inspired by nature, like the seats made with Seaqual® fabric, containing plastic recycled from the sea, and designed to amplify the spaciousness. With the new front armrest and smartphone holder with wireless charging, everything will find its place.

TAKE A SEAT IN THE FUTURE
The New 500's seats are innovative and sustainable, made with Seaqual® yarn containing upcycled marine plastic.

AN ICONIC SIGNATURE
A dedicated logo adorns the steering wheel, reshaped to recall the essential style of the two-spoke '57 Fiat 500.

RECHARGE YOUR EMOTIONS

The New 500, built on a completely new 100% electric platform.
Designed for the next decade.

CRAFTED FOR THE CITY

Enjoy the ride with up to 285 miles of range in the city and up to 199 miles on the combined cycle (WLTP)*.

*see page 42

SHERPA MODE

This intelligent driving mode saves energy by optimising battery charge, air conditioning, speed and acceleration. It gives you more range, getting you to your destination.

FAST CHARGING UP TO 85 KILOWATTS

In just 5 minutes, you can get 30 miles of range: a whole day in the city.

MODE 3 CABLE

Use the Mode 3 Cable to charge your New 500 at a public charge point.

EASYWALLBOX

Recharge your New 500 easily from home with the EasyWallbox, offering a standard charging power of 2.3kW.

With the help of an electrician your EasyWallbox can be upgraded to provide charging power of up to 7.4kW, to charge your New 500 in half the time.

ONE PEDAL DRIVING

With just one pedal you can accelerate and decelerate, thus recovering kinetic energy that helps recharge the battery.

Though you will still be able to brake with the specific pedal to make driving as easy as possible.

A NEW DRIVING EXPERIENCE

Overcome all limits with top of the range, easy to use charging solutions.

LISTEN TO ALL THE NEW 500 SOUNDS HERE.

MY E-CHARGE
Enter a world of services to find the nearest public charging station and access charging modes, payments and history. You can also remotely manage your EasyWallbox or Connected Wallbox from home

RFID CARD
RFID card with My Easy Charge app provides access to more than 240,000 charging points in 21 countries in Europe.

ENJOY THE EASY LIFE WITH THE BEST TECHNOLOGY

The New 500 is able to accelerate and decelerate, maintain a safe distance, read traffic signs and remind you of speed limits.

Intelligent Adaptive Cruise Control

Set the speed and enjoy the ride; New 500 will keep a safe distance and your speed under control.

Lane Control

With just a push of a button, this innovative system helps you stay central in your lane.

Urban Blind Spot

Thanks to an ultrasonic sensor you will be alerted when there is something to your side and rear.

Drone View (360° Parking Sensors)

11 sensors create a 360° drone view of the car, detecting any obstacles and alerting you about each object's proximity

Rear view parking camera

The camera will transmit a high-resolution image while you reverse, increasing visibility while parking.

Autonomous Emergency Braking

The New 500 will brake automatically to avoid potential collisions with cars, pedestrians or cyclists.

Traffic sign recognition and Speed Advisor

The New 500 detects and recognises traffic signs. When activated, the speed advisor can help you adhere to the speed limit.

Attention Assist

Signs of fatigue can be detected by the car, advising you to take a break.

Lane Keep Assist

Helping you to avoid unintentionally changing lanes.

Emergency Call

In case of emergencies the New 500 will help by making a call that transmits the location and status of the vehicle.

CONNECTED TO YOUR WORLD

THE ALL-NEW CINERAMA INFOTAINMENT SYSTEM

The new infotainment system, with a fast, intuitive and easy-to-use 10.25" display, Ultra-fast Bluetooth® which connects to your smartphone in less than 5 seconds.

A natural language speech recognition allows interaction by simply saying "Hey Fiat"; the fully integrated Navigation platform shows drivers up-to-the minute traffic information, speed cameras, parking, EV stations, and destination weather information. In addition, the New 500 features a wireless mobile charger to help you stay connected and recharged. This top of the range infotainment system comes as standard in the New 500 Icon and in the New 500 «La Prima», and available as optional in the New 500 Passion.

WIRELESS APPLE CARPLAY AND ANDROID AUTO™

Wireless Apple CarPlay or Android Auto™ are the smarter and safer ways to use your smartphone in your car. You can get directions, make calls, send and receive messages, and listen to music, audiobooks or podcasts while still staying focused on the road.

7" TOUCHSCREEN INFOTAINMENT SYSTEM

The all new Uconnect™ 5 Infotainment system, included in the New 500 Passion and optional in the New 500 Action, comes with a 7" touchscreen display. Offering the same user experience as the Uconnect™ 10,25" with a more compact display. You can also listen to music and connect devices thanks to the Digital Radio featuring Apple CarPlay and Android Auto™ wireless connectivity.

LINK & DRIVE

Available in the New 500 Action, this keeps your smartphone safely stored and under control: with a dedicated FIAT Link & Drive app that you can use for music, radio, navigation and much more. You can also access everything you need to monitor electric charging.

7" DIGITAL CLUSTER

Comes as standard in all trims, this round, fully-digital instrument arrangement evokes the iconic style of the 1957 500 and will help you to keep all vehicle parameters under control. Speed, Safety Systems, charging status and driving mode are all available in the blink of an eye.

YOUR NEW 500, ON YOUR SMARTPHONE

Enjoy the best connection, both on board and when you're away from the car. Thanks to the new FIAT app that's more than just an application, it's an advanced ecosystem that, together with Uconnect™ Services, enables you to access a world of possibilities and control your New 500, whenever and wherever you are.

MANAGE YOUR RECHARGE: MY E-CHARGE

A world of services for the management of the electric charge. Find public charging stations nearby and access features for charging, payments and track charging history. At home you can quickly access your private Wallbox and, thanks to the remote management, get the most out of your connected Wallbox.

24/7 PERSONAL ROAD ASSISTANCE: MY ASSISTANT

Contact a dedicated assistant, or request road side assistance directly from the vehicle's touchscreen or through the FIAT app. In the event of a severe impact, the car will contact emergency services automatically. Alternatively this can be manually done via the SOS button on the ceiling.

SEAMLESS REMOTE CONTROL: MY REMOTE

Locate the position of the car directly from your smartphone. Lock and unlock the doors and check the charging level and schedule the Air Conditioning and the vehicle charging. Alexa integration.

ALL-NEW CONNECTED NAVIGATION: MY NAVIGATION

Share the destination from your app and your vehicle. The display shows your destination, with live traffic, weather updates, speed cameras notifications and point of charge. Your maps are always updated "over the air" with a seamless frictionless experience.

REAL TIME CAR CHECK: MY CAR

Real time information about the status of your car.

MOBILE INTERNET: MY WI-FI

Connect up to 8 devices and access your Amazon Alexa Voice Assistant onboard.

DOWNLOAD THE FIAT APP

STOLEN VEHICLE TRACKING: MY ALERT

In case of theft you will be put in contact with an operator and your car will be tracked to help the police to rescue it.

* The electricity consumption value is defined based on official tests, in conformity with the provisions of the EU Regulations in force at the time of homologation. In particular, the indicated values are calculated based on the WLTP test procedure. The electricity consumption values are only indicated for the purpose of comparing the vehicle data. The electricity consumption homologation values may not be representative of the effective electricity consumption values, which depend on many factors related, for example, to driving style, route, weather and road conditions and to vehicle condition, use and equipment. The electricity consumption values specified in this document refer to the

versions of the vehicle with the highest and lowest values. These values may change depending on the selected equipment and/or tyre dimensions. The indicated electricity consumption values are not definitive and may evolve if the production cycle is modified. In any case, the official electricity consumption values of the purchased vehicle will be provided with its accompanying documents. If the electricity consumption values are required to calculate the taxes and duties due for the vehicle, please refer to the applicable law in force.

FLEET & BUSINESS

FCA
FIAT CHRYSLER AUTOMOBILES

FLEET
& BUSINESS

FCA Fleet & Business is the division that responds to all business customer needs, including self-employees, small and medium enterprises and large companies. Through our partners, we provide our business customers with dedicated financial products for leasing, contract hire or purchasing, and tailored after-sales services, such as scheduled service plans and warranty extensions.

<https://www.fiat.it/leasing>

LEASYS
CARE. THEN CARS.

Leasys offers rental and mobility services for individuals, professionals and companies of all size and public administrations: from short-and-medium term rental, long term to car sharing, and from subscription to fleet management, up to the online sale of used end-of-lease cars. Leasys is an all-round mobility operator offering flexible and digital solutions.

For those who wish to drive the New Fiat 500 and enjoy the experience without thinking at the car management it is possible to rent the New 500 with Leasys Miles, the pay-per-use offer. Thanks to this innovative formula, Leasys responds to the needs of those who use the car mainly around the city and have a low annual mileage. Leasys Miles has a duration of 48 months, has no down payment and it is characterized by an advantageous monthly fee, to which is added a variable fee calculated on the basis of the kilometers actually travelled. The first 1,000 kms are already included in the fee. It is also possible to enrich the basic rental with additional assistance services and insurance coverages to enjoy the car and its use truly with no worries.

For those who, instead, will choose to buy the New Fiat 500, Leasys have created My Dream Garage: a virtual garage, 100% digital, simply managed through your smartphone that allows driving the most iconic FCA's House of Brands Vehicles.
